I, the undersigned, agree to the following Articles of the Trinity Christian School Association:

ARTICLE II The basis of this Association is the infallible Word of God as interpreted by *The Westminster Confession of Faith* and *Catechism*.

The Association is governed by the following guiding principles:

(a) That all things have been created to the end that the Triune God may be glorified in and through them;

(b) That God by His wise covenant arrangement has appointed the parent responsible for the training of the child to the end that God and His glory shall be central and supreme in life's total experience;

(c) That the training of the child shall be continued under the parent's responsible supervision in a school that carries out the basic God-honoring, God-centered program begun in the home.

ARTICLE III The purpose of the Association is to maintain a school for the daily instruction of our children, such instruction to be in accordance with Article II and directed toward the end that these children may occupy their places worthily in society, church, and state.
