Trinity Christian School is holding a Work-A-Thon on May 21 and my whole school will be going out into the Pittsburgh community on this day to volunteer at community centers, pools, food pantries, churches, homeless shelters, and other places to make a difference. We are raising money to make improvement to our building as well as our general fund.

Would you like to sponsor me with a (\$25) donation? Checks are made out to TCS or online at <http://www.trinitychristian.net/>
