Trinity Christian School is holding a Work-A-Thon this spring. I and my school will be going out into the Pittsburgh community to volunteer in our neighborhoods, community centers, food pantries, churches, and other places to make a difference. We are raising money to make improvement to our building as well as our general fund.
Would you like to sponsor me with a ($25) donation? Checks are made out to TCS or donate online at www.trinitychristian.net
